

ProfitBooks

The Future of Accounting is Here..

ProfitBooks is a simple way to manage your business in cloud.

Small Businesses are frustrated by the exact same problem today:

“I know we need an accounting software.. BUT..”

- BUT the softwares available in market are expensive
- BUT I don't have time to learn the accounting software
- BUT I don't know a good accountant I can trust
- BUT I can't access my accounting data on my tablet or phone
- BUT I don't want to use multiple tools for invoicing, accounting and payroll.
- BUT I don't want the pain of installation and maintenance

Well, there is a solution now..

ProfitBooks is a modern accounting software that helps you run the business with clarity.

Create beautiful Invoices and Quotations

- ✓ Create Time-based invoices from tasks
- ✓ Create Cash Invoices for cash transactions
- ✓ Track overdue invoices and receivables
- ✓ Identify customers who owe you and follow up with them
- ✓ Customize everything

The screenshot displays the ProfitBooks Dashboard interface. At the top, the window title is 'ProfitBooks Dashboard'. Below it, the main header shows 'The Mobile Store' with a '+ New' button on the right. A green sidebar on the left contains navigation icons for 'Income', 'Expenses', 'Banking', 'Accounting', 'Inventory', 'Payroll', and 'Reports'. The main content area is titled 'View Invoice' and features a green 'Add Payment' button. The invoice details for 'Mr. Vikram' are shown, including his address, email, and phone number. A summary box on the right indicates the invoice is 'Paid', with an invoice number of #INV1234567, a due date of 12-08-13, and an amount of INR 134533.00. A table below lists the items: iPhone (16GB, Gold Colour, Qty 2, Unit Cost Rs 35,000), Samsung Galaxy S5 (16GB, White Colour, Qty 1, Unit Cost Rs 29,000), and Nokia Lumia 925 (16GB, Orange Colour, Qty 2, Unit Cost Rs 35,000). The footer notes the user is subscribed to the SMB plan and provides a link to upgrade.

Complete Accounting in a simple way

- ✓ Designed keeping Indian Accounting Standards in mind
- ✓ Record Journal entries
- ✓ Maintain chart of accounts & taxes
- ✓ Simple accounting entry screen to record all type of transactions
- ✓ Invite an auditor to review your books

The screenshot displays the Accounting software interface for 'The Mobile Store'. The main window title is 'Accounting'. The header shows 'The Mobile Store' and a '+ New' button. The left sidebar contains navigation icons for Income, Expenses, Banking, Accounting (highlighted), Inventory, Payroll, and Reports. The main content area is titled 'Chart Of Accounts' and features a search bar. Below the search bar is a table with columns: Account Name, Account Group, Account Type, and Created. The table lists various accounts such as Indirect Expenses, Direct Expenses, Other Current Assets, Bank Accounts, shipping charge, SBI bank, Sales Account - default income, and ravindraThakur. A dropdown menu is open over the 'Accounting' sidebar item, showing options: Chart of Accounts, Taxes, Journal Entry (highlighted), Simple Accounting Entry, and Auditors. A secondary dropdown menu is open over 'Journal Entry', showing options: Journal Entry, Debit Note, and Credit Note.

Account Name	Account Group	Account Type	Created
Indirect Expenses	Indirect Expenses	Indirect Expenses	Amit
Direct Expenses	Direct Expenses	Direct Expenses	Amit
Other Current Assets	Other Current Assets	Other Current Assets	Amit
Bank Accounts	Bank Accounts	Bank Accounts	Amit
shipping charge	Other Charges on Sales	Indirect Expenses	Amit
SBI bank	Bank Accounts	Bank Accounts	Amit
Sales Account - default income	Direct Income	Direct Income	Amit
ravindraThakur	Bank Accounts	Bank Accounts	Amit

Manage your stock efficiently

Manage all the products, their production, transfer, wastage and everything else easily with ProfitBooks!

Maintain multiple Warehouses, allocate batch numbers, maintain re-order level, identify top-selling product and view all transactions at one place

The screenshot displays the 'Inventory Management' window with a 'Products/Services' section. It features a navigation bar with tabs for 'All Products/Services', 'Issued for Production', 'Received for Sales', 'Stock Transferred', and 'Stock Wastage'. Below the navigation bar is a search input field. The main content is a table listing various items with their respective types, quantities, and units of measure.

Item Name	Type	Quantity	Unit of Measure
Wheat	ResellerItem	86.0	KG
Software Development	SalesItem	0.0	hrs
Shirt Buttons	SalesItem	50.0	
Samsung Galaxy CORE	ResellerItem	32.0	20 Box
Pen	ResellerItem	10.0	
Nokia Lumia 720	ResellerItem	47.0

Built for the entire team

The image displays two overlapping application windows. The background window is titled "Timesheets" and shows a weekly calendar for the period "27 Jan - 02 Feb 2014". It features a table with columns for days of the week and rows for tasks. The "Automation testing" task is highlighted in yellow. The foreground window is titled "Tasks" and shows a "Manage Tasks" interface. It includes a filter bar with options like "All", "Today's", "This Week", "This Month", and "Completed". Below this is a table of tasks with columns for "Task Description", "Project", "Due Date", "Priority", and "Action". The "Automation testing" task is highlighted in yellow. To the right of the task list is a form for creating a "New Task" with fields for "Description", "Due date", "Assigned to" (set to "Amit"), "Priority" (set to "Low"), and a "Billable" checkbox. A green "Add Task" button is at the bottom right of the form.
